## **MORNING PRAYER**

### *Concluding with the Lord's Prayer*

Our Father which art in heaven, hallowed be thy name, thy kingdom come, thy will be done on earth, as it is in heaven.

Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen. (*Matthew 6:9-13*)

## **Church World Service Clean Up Buckets**

Church World Service provides much needed supplies to people in times of crisis. In light of the recent hurricanes and flooding, Witness Committee has set a goal of contributing 5 buckets to CWS. The items needed are listed below. Please write on the list in the entry way what you plan to contribute. Please have items at the church by **Sunday, November 3.**

Cash donations are also welcome. Donations will be used to buy items that people didn't sign up to purchase. Also, CWS suggests a \$3 fee to help get the buckets to their final destination. Donations may be put in the offering plate, designated for CWS or clean-up buckets.

Thank you so much for responding to God's command to love our neighbors!

These are the items needed for 1 clean-up bucket. Please read the details carefully. Church World Service has a lot of experience with these buckets, and this is what they have found that works best.

- One 5-gallon bucket with resealable lid, new or used
  - If used, scrub clean. Cannot use buckets that have held chemicals. No screw-on lids. Advertising on the outside is OK.
  - One 4 - 8 oz. pump spray air freshener
- Five scouring pads. (No stainless steel or pads with soap in them.)
  - Seven sponges, including one large
  - One scrub brush, with or without handle
- 18 reusable, lightweight multipurpose dry cleaning towels. (No terry cloth, microfiber, or paper towels.)

- One 16-34 oz. bottle of liquid concentrate household cleaner that can be mixed with water. (No spray bottles.)
  - One package of 36-50 clothespins
  - One 50-100 foot clothesline, cotton or plastic
- Five dust masks (N95 particulate respirator dust masks preferred; no surgical masks)
- Two pairs of heavy-duty, waterproof dishwashing gloves (Latex-free, non-surgical. Durable for multiple use.)
- One pair of work gloves (Cotton with leather palm or all leather.)
  - 20-28 heavy duty or contractor type 30-45 gallon trash bags on a roll
  - One 6-9 oz. bottle of non-aerosol insect repellent (Pump spray bottles must have protective covers, packs of 10-20 insect repellent wipes also acceptable)
    - Packing tape, to seal the buckets
